

The Matt Moran Band

"Moran's music is sweet, in tune, and hip in nature. A little Paul Simon combined with a bit of Hootie and the Blowfish... slow and chill country to rock & roll that raises your blood pressure a few notches"

Tom Laurie - Music Connection Magazine

Some call it Roots Rock, some say Modern Americana, and others add Folk Rock with an edge to the mix.

With originals songs that rock you down to the core, danceable

pop with hook-laden lyrics, and country ballads to help you drown your sorrows in whisky, the genre is hard to classify but the music easy to listen to.

"a delectable mix of crowd pleasing original songs... Americana/Country... lyrically rich melodies, throw them into a cocktail shaker and you have the yummy concoction that is The Matt Moran Band."

Val King, The Backstage Pass Magazine

Matt Moran performs with his band and as a solo artist at bars, listening venues, and

house concerts across the country; bringing a high-energy experience to the stage.

A natural story-teller, he combines intelligent lyrics with strong melodies and adds to that an engaging stage presence that welcomes fan interaction.
